Docusign Envelope ID: F5792DC0-47CD-8BB9-8290-D6BECD451EDD

INTERSECT™

GRANT AGREEMENT

This Grant Agreement (the "**Agreement**") is entered into as of the latest date of signature as set out below (the "**Effective Date**") by and between:

(1) **MLabs LTD**, with registered company number 11634148 registered in England and Wales whose principal address is at First Floor Office, 3 Hornton Place, London, United Kingdom, W8 4LZ (the "Grantee")

and

(2) **Cardano Development Holdings**, an exempted limited guarantee foundation company incorporated and registered in the Cayman Islands with company number 399965 ("**Customer"**),

and

(3) **Intersect**, a Wyoming non-profit mutual benefit corporation, with a principal address at 1920 Thomas Avenue, Suite 610, Cheyenne, WY 82001 ("**Administrator**")

Grantee, Cardano Development Holdings and Intersect will each be referred to as a "**Party"** and collectively, **"Parties"**.

BACKGROUND

A Cardano Development Holdings operates a pool of funds for use to benefit the Cardano blockchain and the development of the Cardano ecosystem

B Cardano Development Holdings has appointed Intersect to administer the funds on its behalf.

C Cardano Development Holdings and Intersect agree to distribute Grant(s) to the Grantee(s) on the terms of this Agreement.

Now, therefore, in consideration of the promises, terms and conditions in this Agreement and, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1) Purpose.

   Grantee will carry out the Services and provide the Deliverables as described in the applicable Statement of Work (the "**Project**").

2) Grant Award.

Docusign Envelope ID: F5792DC0-47CD-8BB9-8290-D6BECD451EDD

In consideration of the Grantee carrying out the Project and after Acceptance by Intersect, a total grant award of **USD 15,000 (fifteen thousand US Dollars)** will be transferred from Cardano Development Holdings by Intersect (acting as the administrator) to the Grantee (the "Grant") in accordance with Appendix A.

3) Grantee Obligations

a. *Use of Grant.* Grantee agrees to use the Grant solely to complete the Project as detailed in the applicable Statement of Work, the terms of which are hereby incorporated by reference, and form part of this Agreement.

Acceptance. In addition to completing the Deliverables and:

i. upon completion of each Milestone, the Grantee shall deliver to the customer a "**Milestone Acceptance Form**" (Appendix D) which must include the following information: (i) name of the organisation/individual(s) delivering the project, (ii) date of report, (iii) project title, (iv) Milestone scope as stated in the Agreement, (v) demo of the completed Milestone that proves the scope and Deliverables were achieved, and (vi) describe any key takeaways learned from this Milestone. For open-source projects, provide source files and links to hosted work. Source files could include MP4 video files (any size) and PNG images 10MB or less. For avoidance of doubt, the Milestone Acceptance Form may be published on the Intersect website; and

ii. within 5 days of Acceptance of the Project, the Grantee shall deliver a "**Close-out Report**" which must include the following information: (i) name of the organisation/individual(s) delivering the project, (ii) date of report, (iii) project title, (iv) Project scope as stated in the Agreement, (v) demo of the completed Project that proves the scope was achieved, and (vi) describe any key takeaways learned from this Project. For open-source projects, provide source files and links to hosted work. Source files could include MP4 video files (any size) and PNG images 10MB or less. For avoidance of doubt, the Close-Out Report may be published on the Intersect website.

iii. After receipt of the Milestone Acceptance Form (Appendix D) by Intersect, and provided Intersect are in agreement with the completion of the relevant Deliverable in accordance with the Acceptance Criteria and to its reasonable satisfaction, Intersect shall issue an acceptance of the Deliverables by email to the Grantee ("Acceptance").

Docusign Envelope ID: F5792DC0-47CD-8BB9-8290-D6BECD451EDD

iv. Failure to meet the deadline for the Close-out Report is a material breach of this Agreement and may result in the Grant having to be reimbursed in full by Grantee.

b. Testing. Where applicable Grantee agrees to participate in testing the Deliverables as reasonably requested, including but not limited to, testing by externally contracted third parties of Intersect as well as preview and pre-production testing.

c. Compliance. Grantee agrees to comply with all applicable laws, regulations, statutes, ordinances, and other legal requirements applicable to any of the obligations set out in this Agreement.

4) Payment of the Grant in ADA .

Grantee understands and agrees that (a) any ADA sent to the Grantee is intended to be characterised as currency payments and not as securities under applicable law, (b) digital currencies such as ADA may possess unique legal, tax, financial and market risks when compared to traditional fiat currencies, (c) the Grantee is solely responsible for any taxes and/or other costs and expenses associated with the acceptance and use of ADA and/or compliance with any laws or restrictions related thereto. Furthermore, Grantee hereby releases Cardano Development Holdings and Intersect from any and all claims or liability Grantee may face by virtue of entering into this Agreement and/or arising out of a determination by an applicable judicial authority or regulator that the ADA payment made hereunder is in any way a violation of applicable law. In the instance such a determination is made, then it is agreed that no substitutable consideration shall be paid and this Agreement shall be null and void.

5) Fees and Payment

a. In consideration of the provision of the Deliverables by the Grantee, Intersect shall pay the Grant in the tranches as set out in Appendix A. Grant payments are inclusive of all applicable taxes and all other mandatory payments. Unless otherwise agreed in Appendix A, the Grantee shall bear all costs, including any currency conversion or similar costs and expenses, including travel and accommodation expenses, incurred by it and its personnel in connection with this Agreement or any applicable Statement of Work.

b. The Grantee will create an invoice, in accordance with the procedure detailed in Appendix B, and submit the invoice to Intersect on Acceptance by Intersect of the Milestones. Intersect shall pay any undisputed invoices within thirty (30) days of receipt to the following:

Docusign Envelope ID: F5792DC0-47CD-8BB9-8290-D6BECD451EDD

Grantee's payment details (bank account and/or ADA wallet address): addr1q9hfrfk98c7smekq6y0f7e3y7vyrxwg2ye2ral2fmh9mvz6w63x5yv2u9hjr4v08h7uwqzudhk8a2w4020qjp5xl2z2q0zfn78

6) Change Control

If the Grantee wishes to make a change to the Project or the Deliverables, Grantee shall provide a draft change order to Intersect setting out the proposed changes and the effect those changes will have on (i) the Deliverables (ii) the Grant amount; (iii) the timetable for the Deliverables; and (iiii) any of the other terms of the relevant Statement of Work (the "Change Order"). If Intersect agrees to the Change Order it will also advise on any changes to the Grant; and both Parties shall sign it to show a binding commitment to amend that Statement of Work (the "Change Control Process"). Should the Grant be reduced then this amount shall be taken off the next Milestone Payment. In the instance the Grant is increased, this amount will be split amongst future Milestone Payments.

7) Term and Termination

7.1 This Agreement shall commence as of the Effective Date and shall continue, unless terminated earlier in accordance with clause 7.1 (Termination), or until Intersect gives to the Supplier thirty (30) days written notice to terminate.

7.2 Intersect and/or Cardano Development Holdings may terminate this Agreement with immediate effect by giving written notice (email is sufficient) to the Grantee if:

a) the Grantee commits a material breach of any term of this Agreement in which the breach is irremediable or (if such breach is remediable) fails to remedy that breach within a period of thirty (30) days after being notified in writing to do so;

b) the Grantee repeatedly breaches any of the terms of this Agreement in such a manner as to reasonably justify the opinion that its conduct is inconsistent with it having the intention or ability to give effect to the terms of this Agreement;

c) the Grantee suspends or ceases, or threatens to suspend or cease, carrying on all or a substantial part of its business; or

d) during the term of this Agreement, the Grantee is in breach of Clause 9;

e) if Grantee behaves in a manner that Cardano Development Holdings and/ or Intersect reasonably believe will bring it into disrepute;
f) or if a change in law or regulation means that ADA is no longer permitted to be used as consideration;

Docusign Envelope ID: F5792DC0-47CD-8BB9-8290-D6BECD451EDD

g) if Cardano Development Holdings and/or Intersect acting reasonably believe that the continuation of the Deliverables is no longer in the favour of the Cadano Community or ADA.

7.3 In the instance the Agreement is terminated for reasons 7.2 a-g above, then neither Intersect nor Cardano Development Holdings shall have any further liability to Grantee. However, both Intersect nor Cardano Development Holdings reserve all rights against Grantee.

7.4 Either Party may terminate this Agreement with immediate effect by giving written notice (email is sufficient) to the other Party if such Party has a reasonable belief this Agreement or the obligations of either Party under this Agreement may negatively and materially impact such Party's regulatory standing or compliance with any Applicable Law.

8) Consequences of Termination

a) On termination or expiry of this Agreement, Grantee shall immediately deliver to Intersect all Deliverables whether or not then complete, and return all Intersect materials and equipment (where applicable) to Intersect and also deleting such from its records; and

b) Any provision of this Agreement that expressly or by implication is intended to come into or continue in force on or after termination or expiry of this Agreement shall remain in full force and effect.

c) Termination or expiry of this Agreement shall not affect any rights, remedies, obligations or liabilities of the Parties that have accrued up to the date of termination or expiry, including the right to claim damages in respect of any breach of the Agreement which existed at or before the date of termination or expiry.

d) If Intersect terminates this Agreement due to an uncured material breach, then Grantee will return any Grant amounts already paid by Intersect within thirty (30) days of the date of termination.

9) Representations and warranties The Grantee warrants and represents to Intersect and/or Cardano Development Holdings that:

a) neither it nor any of its affiliates, shareholders, directors, officers, employees, contractors, consultants or other personnel is an individual, or entity (the “Person”) the subject of any sanctions administered or enforced by the U.S. Department of Treasury’s Office of Foreign Assets Control (the “OFAC”), the United Nations Security Council (the “UNSC”), the European Union, Her Majesty’s Treasury (the “HMT), or other relevant sanctions authority (collectively, “Sanctions”), nor is any Person located, organised or resident in

Docusign Envelope ID: F5792DC0-47CD-8BB9-8290-D6BECD451EDD

a country or territory that is the subject of country-wide or territory-wide Sanctions or any other country or territory specified by Intersect and/or Cardano Development Holdings from time to time.

b) that is has full right and authority to enter into this Agreement and at the date of signature there is no reason as to why it should not enter into this Agreement nor any foreseeable reason that may prevent it from entering into this Agreement;
c) that it has no competing interest with Cardano Development Holdings and/or Intersect, nor will it create any competing interests for the duration of the term of this Agreement or for 12 months thereafter.

10) Marketing & Publicity. Cardano Development Holdings, Intersect and Grantee will collaborate in good faith with respect to appropriate publicity and marketing efforts relating to the subject matter of this Agreement, and materials in relation to this Agreement must be approved in writing by either Cardano Development Holdings or Intersect before such is published by Grantee.

11) Intellectual Property Rights.
    a) In return for accepting the Grant, the Grantee gives Cardano Development Holdings and Intersect a perpetual, irrevocable, assignable, royalty-free, fully-paid, nonexclusive, worldwide licence to the Grantee's corporate name, trademarks (word marks and design marks), project name (e.g. name of Github repo), and Close-out Report for use in Cardano Development Holdings and Intersect marketing materials relating to the Project. Such use may continue post termination at the discretion of Cardano Development Holdings and Intersect.
    b) Nothing in this Agreement shall affect any Party's ownership of any pre-existing intellectual property rights or any modifications, improvements or derivatives thereto created during the course of this Agreement which are solely developed by such Party.
    c) Grantee shall own all of the intellectual property rights in the Deliverables, however, hereby grants to to Cardano Development Holdings and Intersect, without additional consideration, an irrevocable license throughout the world in and to the Deliverables, including all intellectual property rights therein and any intellectual property rights arising in the Services. Where applicable, any and all work produced by the Grantee and funded by this Agreement must be open sourced under Apache 2.0 or similar licence unless otherwise stated in the Statement of Work.
    d) For the purposes of this Agreement, intellectual property rights include any and all rights in the nature of copyright, patents, trademarks, design rights and rights associated with or similar in nature to any of the foregoing.
    e) Grantee may use Intersect corporate name and trademarks in relation to its announcement to the Cardano Community. If it is distributing or using any materials directly provided by Cardano Development Holdings and Intersect, such materials not be unedited in any manner.

Docusign Envelope ID: F5792DC0-47CD-8BB9-8290-D6BECD451EDD

12) Data security - Personal data

a) For the purposes of this Agreement, Data Protection Legislation means any applicable law relating to the processing, privacy and/or use of Personal Data (as defined in the legislation), as applicable to either party or the Services, including:

   i) the GDPR (Assimilated Regulation (EU) 2016/679 (UK GDPR));

   ii) the Data Protection Act 2018;

   iii) any laws which implement or supplement any such laws;

   iv) any laws that replace, extend, re-enact, consolidate or amend any of the foregoing; and

   v) any regulatory guidelines and codes of conduct issued by a regulatory body.

b) Each party will comply with the Data Protection Legislation that is applicable to it in relation to the processing of Personal Data in its particular jurisdiction, under this Agreement. Except as permitted herein or to the extent required by Data Protection Legislation or legal process, each Party shall implement reasonable and appropriate technical and organisational measures to ensure a level of security appropriate to the risk, including to prevent unauthorised disclosure of or access to Personal Data by third parties, and will only store and process Personal Data in a manner and for such a duration as is required to fulfil its obligations under this Agreement and any applicable Statement of Work and/or as required by the Data Protection Legislation, this includes the ability to access and delete data if requested to do so by a data subject.

c) Each Party will notify the other Party without undue delay after becoming aware of any disclosure of or access to the Personal Data by a third-party in breach of this Clause 16 and the Parties will cooperate to reasonably remediate the effects of such disclosure or access and will notify the relevant body where the law directs.

d) During the term of this Agreement, Cardano Development Holdings or Intersect may authorise the Grantee, in connection with the provision of Services under this Agreement, to make transfers of Personal Data to its sub-processors. When making such transfers, the Grantee shall put in place a contract with each sub-processor that imposes obligations that are equivalent to or more stringent than the obligations imposed on Grantee under this Agreement.

13) Confidentiality

Docusign Envelope ID: F5792DC0-47CD-8BB9-8290-D6BECD451EDD

a) Each Party agrees to keep confidential any information disclosed by the other Party in connection with this Agreement, except as expressly permitted herein.

Permitted Disclosures

Notwithstanding the above, the Parties acknowledge that this is an open community, and information about the Project, Deliverables, and Services may be shared with the Community. However, the Parties agree not to disclose any information that:

a) Is protected by applicable data protection laws;

b) Constitutes price-sensitive information, the disclosure of which would result in a breach of competition laws or other regulatory requirements; or

c) Is otherwise restricted by law.

Legal Compliance

Each Party remains responsible for ensuring that any disclosures made under this clause comply with all applicable laws and regulations.

14) No Malicious Code

a) Grantee shall provide antivirus, anti-malware and spyware software protection to systems and other assets, including mobile devices and removable media, which process or hold Cardano Development Holding's or Intersect's Confidential Information, using most recently distributed signature-based antivirus software. Grantee shall detect any Malicious Code on systems that process or hold such Confidential Information and at its own expense remove and eliminate any effects of such Malicious Code.

b) "Malicious Code" means any virus, malware, spyware, malicious code, mechanism Trojan horse, worm, back door, trap door, time bomb, software lock, drop dead device or other , routine, program, instruction, code, device, contaminant, logic, effect or other undisclosed feature which would, or is intentionally designed, created or intended to (i) allow unauthorised access to, or use of, systems or other assets that process or hold Cardano Development Holding's or Intersect's Confidential Information or to cause such systems to malfunction; or (ii) alter, disable, destroy, interrupt, interfere with, inhibit or discontinue party's or any of its end user's effective use of Cardano Development Holding's or Intersect's Confidential Information; (iii) delete, erase, destroy, corrupt or modify any of Cardano Development Holdings's or Intersect's Confidential Information; or (iv) bypass any internal or external security measure to obtain access to Cardano Development Holdings's or Intersect's Confidential Information. System controls associated with all platforms, the networks and network interfaces used to process party Confidential Information shall be managed and maintained in accordance with the most-current industry standards, including successful remediation of vulnerabilities and known bugs that could cause malfunctions, errors or

Docusign Envelope ID: F5792DC0-47CD-8BB9-8290-D6BECD451EDD

malicious activity as soon as possible in a timely manner, commensurate with the sensitivity of such information.

15) Limits on Liability

a) Neither Party excludes or limits its liability in respect of: (i) bodily injury (including death) caused by that Party; (ii) fraud; (iii) any indemnity given by it under this Agreement; (iv) liability arising from its deliberate default or (v) any other liability to the extent that the same cannot be excluded or limited under Applicable Law.

b) Nothing in this Agreement will limit or exclude the Grantees liability for any breach of: intellectual property rights, confidentiality obligations or representations and warranties set out in this Agreement.

c) Subject to clause 15(a), in no event shall either Party be liable to the other for (i) any special, indirect, incidental, consequential, or punitive damages; or (ii) any loss of profit, goodwill, anticipated savings, revenue or business, whether based on contract, tort or other legal theory.

d) Subject to clause 15(a), Cardano Development Holdings and Intersect's total aggregate liability for the totality of any and all claims under or in connection with this Agreement shall be limited to a sum equal to the Grant paid or payable under this Agreement.

16) Miscellaneous

a) Neither party shall be liable for any failure or delay in performance due to causes beyond its reasonable control, including but not limited to natural disasters, acts of government, war, civil unrest, cyberattacks, or failure to unlock or access funds from treasury systems ("Force Majeure"). If such Force Majeure event continues for more than 30 days, either party may terminate this Agreement upon written notice.

b) This Agreement represents the complete understanding between the Parties as it relates to the subject matter herein and supersedes any prior communications, understandings or agreements, oral or written, between the Parties as it relates to the subject matter.

c) Grantee may not transfer, delegate, or assign any of its rights, benefits, or obligations under this Agreement. Cardano Development Holdings and Intersect shall have the right to transfer, delegate or assign this Agreement in whole or in part to any person, including Intersect, without the need for prior approval of the Grantee.

d) Any modification to this Agreement must be in writing and signed by authorised representatives of both Parties.

Docusign Envelope ID: F5792DC0-47CD-8BB9-8290-D6BECD451EDD

e) Any notice or demand to be given hereunder by either Party shall be made by email, sent to the other Party's email address as are used by the Parties during the course of the Project, or as may be designated by written notice to the other Party hereto. Notices are deemed received by email, on receipt.

f) The Parties to this Agreement are independent contractors and this Agreement will not establish any relationship of partnership, joint venture, employment, franchise, or agency between the Parties.

g) Neither Party will have the power to bind the other or incur obligations on the other's behalf without the other's prior written consent.

h) Nothing in this Agreement shall be deemed to constitute a partnership or joint venture between the Parties or constitute any Party to be the agent of the other Party for any purpose.

i) If any provision of this Agreement (or part of any provision) is or becomes illegal, invalid or unenforceable, such provision shall be replaced with a valid provision that comes closest to the original provision and the other provisions shall not be affected.

j) No failure, delay or omission by either Party in exercising any right, power or remedy provided by law or under this Agreement shall operate as a waiver of that right, power or remedy.

k) This Agreement may be executed in any number of counterparts.

l) In the event of any conflict between the terms of this Agreement and the applicable Statement of Work, the terms of the Statement of Work shall prevail.

m) This Agreement and any dispute or claim arising out of, or in connection with, it, its subject matter or formation (including non-contractual disputes or claims) shall be governed by, and construed in accordance with, the laws of England and Wales.

n) The parties irrevocably agree that the courts of England and Wales shall have exclusive jurisdiction to settle any dispute or claim arising out of, or in connection with, this Agreement, its subject matter or formation (including non-contractual disputes or claims).

Appendix A

Statement of Work

This Statement of Work is binding on the Parties and is issued subject to the terms and conditions of the Grant Agreement.

All capitalised terms not otherwise defined herein shall have the meanings ascribed to them in the Grant Agreement.

Grantee will complete the tasks set out in the table below. Following completion of each task, Grantee will submit the Deliverables as set out in the table below to Intersect, no later than the timeline prescribed.

Project Number: OSC-26-0040
Project Name: LambdaBuffers Van Rossem Hardfork Compatibility: OSC Tooling Sustainability

Start Date: August 1, 2026

Required Completion Date: November 1, 2026

1. Detailed Description of Services and Deliverables:

Intersect (specifically Open Source Committee) wishes to engage Grantee to provide the Services and Deliverables set out below and other support and services as Intersect and the Grantee mutually agree. All Services provided by the Grantee must be accompanied by testing results for the Deliverables and a Milestone Acceptance Form confirming that the requirements have been fully implemented.

The Grantee shall carry out the Services in accordance with the following timetable. In the event that any Service and subsequent Deliverables cannot be performed in line with the table below, the Parties shall agree in good faith, an appropriate work around in accordance with the Change Control Process.

Docusign Envelope ID: F5792DC0-47CD-8BB9-8290-D6BECD451EDD

Project overview: MLabs will update LambdaBuffers' Nix dependencies and development environment, then deliver Van Rossem compatibility across its supported backends, with required test and changelog updates, and related release preparation.

Milestone (and reference name)	**Description of the Services (the "Services")**	**The Deliverables including any Customer technical or functional requirements (the "Deliverables")**	**Timeframe for achievement of Milestone**	**Acceptance Criteria**
Milestone 1 – Dependency Updates	1. Update the LambdaBuffers Nix dependency set to current compatible versions on the staging branch. 2. Repair and validate the LambdaBuffers Nix shell so it launches successfully without errors. 3. Ensure the staging-branch Nix shell exposes all dependencies required to build and develop LambdaBuffers at the updated versions. 4. Record the dependency and Nix-environment changes in CHANGELOG.md. 5. Provide a brief, 2-5 minute video overview of the	1. Link to the staging branch showing the applied LambdaBuffers Nix updates. 2. Link to the updated CHANGELOG.md describing the Milestone 1 changes. 3. Link to Milestone overview video.	01/10/2026	1. All dependencies for LambdaBuffers are up to their current versions at the time of this Milestone being submitted on the staging branch. 2. LambdaBuffers' Nix shell can be brought up without errors on the staging branch. 3. The Nix shell for LambdaBuffers' staging branch makes all dependencies required available at their current versions at the time of this Milestone being submitted. 4. CHANGELOG.md on the staging branch contains at least one entry describing the changes made as part of this Milestone. 5. Video overview demonstrates Nix updates and successful setup, dependency

Docusign Envelope ID: F5792DC0-47CD-8BB9-8290-D6BECD451EDD

	Milestone activities.			updates, and CHANGELOG.md updates.
Milestone 2 – van Rossem Compatibility Updates	1. Prepare and publish a new tagged LambdaBuffers release containing all outputs of this Milestone. 2. Update all LambdaBuffers backends to support Van Rossem capabilities. 3. Update any MLabs-owned external dependencies required for Van Rossem support. 4. Validate tests for all new functionality introduced under this Milestone. 5. Update CHANGELOG.md to record all changes delivered under this Milestone. 6. Assign the tagged release a version higher than 2.0.0. 7. Provide a brief, 2-5 minute video overview of milestone activities.	1. Link to the new tagged LambdaBuffers release in the repository. 2. Link to the successful CI run corresponding to the tagged release. 3. Link to the updated CHANGELOG.md describing the Milestone 2 changes. 4. Links to updated external dependencies owned by MLabs if any updates to such are required. 5. Link to overview milestone video.	1/11/2026	1. A new tagged release of LambdaBuffers containing all the outputs of this Milestone exists. 2. All LambdaBuffers backends support van Rossem capabilities in the new tagged release. 3. Any external dependencies owned by MLabs support van Rossem capabilities. 4. Tests exist and pass for any new functionality in the new tagged release. 5. CHANGELOG.md contains entries for all the changes required for the outputs of this Milestone. 6. The version of the tagged release is higher than 2.0.0. 7. Video overview demonstrates van Rossem updates as well as new LambdaBuffers release, backend support, test validation, and key changes to the CHANGELOG.md. **Licensing:** The Deliverables will be made available under the Apache 2.0 License. No proprietary

Docusign Envelope ID: F5792DC0-47CD-8BB9-8290-D6BECD451EDD

				third-party materials or licensed software are required for delivery of the Services. **Software delivery mechanism:** The Supplier will deliver the software via the public GitHub repository at https://github.com/mlabs-haskell/lambda-buffers, via commits and pull requests as each Milestone is completed.
Total Timeframe for completion of the Services and Deliverables from the Effective Date:			**3 months**	

2. Payment Milestones

The Grantee shall receive the payment after Acceptance by Intersect and in accordance with the following payment schedule provided an approved invoice has been sent to Intersect:

The Supplier shall receive a kick-starter payment of $1,500 (“Kickstarter Payment”). The Kickstarter Payment is not subject to a Milestone Acceptance Form or completion of any Milestones. It is reimbursable to the Administrator, upon written demand, if Milestone 1 is not subsequently delivered or if the Agreement is terminated without any Milestones having been satisfactorily delivered; the Supplier shall repay it in full no later than seven days after such demand.

Milestones No.	Trigger for issuance of invoice by Grantee	**Milestone Payment Amount (USD)**
Kick-starter payment	Upon signature (not subject to a Milestone Acceptance Form)	USD 1,500
Milestone 1 - **Dependency Updates**	Acceptance by Intersect of Milestone 1 Deliverables and Milestone Acceptance Form	USD 6,750
Milestone 2 - **Van Rossem Compatibility Updates**	Acceptance by Intersect of Milestone 2 Deliverables	USD 6,750

Docusign Envelope ID: F5792DC0-47CD-8BB9-8290-D6BECD451EDD

	and Milestone Acceptance Form	
Total Grant:		**USD 15,000**

Docusign Envelope ID: F5792DC0-47CD-8BB9-8290-D6BECD451EDD

Appendix B

INVOICING GUIDELINES - Milestone-Based Contract

General Submission Requirements

a. All invoices and credit notes will be submitted via the Smart Contract Treasury dashboard.
b. Invoices and Milestone Acceptance Forms must be submitted within 5 working days of completing the milestone.
c. Invoices will only be processed if the Milestone Acceptance Form has been signed by all relevant parties including third party assurance.
d. Invoices must be submitted in the currency stated in the agreement.

- A specific naming convention must be applied to the attached invoice file name:
  - Document File Name: Clearly indicate document type in the file name.
    - *Example: Invoice123.pdf or Creditnote123.docx*
- Subject to the Administrator's reasonable satisfaction that the Milestone has been completed, the Supplier may withdraw the corresponding payment under the vendor contract, in accordance with the Milestone payment schedule set out in Appendix A (payments scheduled on the 30th of the month, with the exception of payments scheduled on the 15th of December if applicable).
- If the Administrator, acting reasonably and in good faith, determines that the Milestone has not been satisfactorily completed, payment may be withheld. Once the Milestone is deemed complete and the relevant invoice and MAF have been provided, the associated payment will be unlocked and available for withdrawal.

Invoice Content Requirements

Each invoice must contain the following information:

17) **Supplier Details:**
   - **a)** Company Name or Full Name
   - **b)** Full Address (street name and number, city, postal code, country)

18) **Customer Name & Billing Address:** Please check your service agreement to confirm the location:

Intersect
1920 Thomes Ave Ste 610
Cheyenne
WY 82001

19) **Invoice Core Details**
   - **a)** Invoice Number (e.g., "*Invoice123*")
   - **b)** Invoice Date (e.g., "2025-03-31")
   - **c)** Project Number (e.g., CN-0000-25)

Suppliers must invoice based on pre-defined Milestones stated in the Statement of Work (SoW):

Docusign Envelope ID: F5792DC0-47CD-8BB9-8290-D6BECD451EDD

d) Milestone Name (as per SoW)
e) Milestone Number (as per SoW)
f) Agreed Fixed Price for the Milestone

20) Bank Details for Payment:

For payments in ADA currency, please provide the wallet address.

If your wallet details change, please notify billing@intersectmbo.org with official documentation *prior* to submitting your next invoice. Additional verification (KYC/KYB) may be required.

Failure to follow these guidelines may result in payment delays.

For any questions or assistance, contact billing@intersectmbo.org.

Docusign Envelope ID: F5792DC0-47CD-8BB9-8290-D6BECD451EDD

Appendix D
Milestone Acceptance Form

The Milestone Acceptance Form (MAF) must be completed on completion of each milestone and accompany the invoice submitted by to: billing@intersectmbo.org. The Delivery Assurance Team will provide an editable version separately.

The form can either be in the body of the email or as a separate attachment.

An update on confidentiality - We understand that our current contracts define a majority of content as confidential, this MAF acts as an attestation of what Intersect will share with its community and membership. Any personal, security or financial information will be omitted.

Contract Name	*<name of the intersect contract or grant>*

Milestone Name(s) & Number(s)	*<Please write the milestone name(s) and number(s) as per the contract>*
Acceptance Criteria(s)	*<Please write the acceptance criteria(s) as per the contract>*
What & How	
<brief description of what has been delivered and how the criteria has been met against each milestone>	
Where	
<where can this deliverable(s) be seen; link to specific documentation, repository, pull request etc.>	
Quality/Testing	
<how was this milestone(s) checked for quality or tested>	
Communication	
**Please be aware that anything written in this section may be copied directly to Intersect's Newsletter or Gitbook* *<This section is for the public communication of the completion of this milestone. The reason for this is to build enthusiasm around the development work being undertaken as well as providing an opportunity for your company to showcase the work you are contributing towards the Cardano community.* *To achieve this, we recommend drafting a brief of no more than two or three paragraphs that is easily understandable and in plain English, suitable for non-technical individuals, that contains:*	

Docusign Envelope ID: F5792DC0-47CD-8BB9-8290-D6BECD451EDD

a)Project: Explain the overall purpose of the project you are working on. *b)Context: Explain how this milestone fits into the broader development landscape.* *c)Milestone Achievement: Detail the specific work completed as part of this milestone.* *d)Benefits: Outline the contributions of this milestone to the Cardano Network/Community, such as network stability, improved security, faster transactions, etc.*
Social Media Handles & relevant tags (optional):

—----------

Milestone Acceptance Form Guidance:

Accepted By - this should be the person responsible for completing the Quality or Testing review, the person of suitable expertise to attest that the milestone has been completed. It should not be a person from the delivering organization.

Docusign Envelope ID: F5792DC0-47CD-8BB9-8290-D6BECD451EDD

Communication - the cardano ecosystem thrives due to open participation and membership. Intersect will announce deliverables and celebrate the success of its partners. Please provide a few words on how we can best articulate and share this milestone being completed.
